Charge It

- On the right earcup, carefully plug the micro USB cable into the micro USB charging port. Connect the other end of the cable to either a computer USB port or to a USB-compatible car or wall charger.
- A solid red LED light will appear to indicate that the headphones are charging.
- When charging is complete, the LED light will turn Blue.
- Charging time is approximately 2 hours.

Turn It On/Off

- Press & hold the power button on the right earcup for about 3 seconds until the LED indicator turns on.
- Press & hold the power button again for 4 seconds until the LED indicator turns off.

Pair & Connect With New Device

- Switch on the headphones (refer to the "Turn It On" section).
- To pair the headphones with a new device, the Red and blue LED lights will blink to indicate that it is ready to be paired with the device.
- On your Bluetooth-enabled smartphone, tablet or media player, navigate to the Bluetooth settings menu, turn on the Bluetooth feature, and search for new devices. After a few seconds "GRAVITY - UL-HPBT01" will be listed.
- Select it to connect your smartphone to the headphones.
- The LED indicator will turn solid blue, which indicates that your device has successfully paired.
- With your previously paired device's Bluetooth turned on and in range, the headphones will automatically reconnect to the last Bluettooth device it was connected to.

  NOTE: If the headphones are not used within 5 minutes, it will automatically turn off to save battery.

Play

- Connect your device to the headphones via Bluetooth (refer to the "Pair & Connect" section)
- Open your favorite music app and press play.
- Control the music, track & volume from your device. Press the power button once to play/pause music & answer calls; press it twice to redial the last number called on your phone, and press & hold it to reject an incoming call.
- All audio, including music, games, videos, and notifications will be routed through the headphones.
