EUPHONIC SERIES  
PORTABLE BLUETOOTH SPEAKER

## USER MANUAL

Thank you for purchasing this Bluetooth Speaker.  
Please read all instructions carefully before using  
and retain this manual for future use and reference.

## BUTTON FUNCTIONS

1. Short press the Mode button to switch between Bluetooth and FM Mode.
2. Volume Down (long press) / Previous track (short press)
3. Volume Up (long press) / Next Track (short press)
4. Short Press: Pause/Play Music; Answer/Hang up phone call; Long press for FM radio auto-scan

## PAIRING THE SPEAKER:

1. Please ensure the speaker is switched off. The speaker will not pair unless it is first switched off.
2. Switch on the speaker again. Once the blue LED light flashes, the speaker is ready to pair.

3. Place the speaker and the Bluetooth device you would like to pair devices no further than 10m apart.
4. Ensure Bluetooth is enabled on your device.
5. Once you have activated the Bluetooth on your device, search and select "UL-SP8W01" from the list of available pairing options. To avoid signal interference, switch off other Bluetooth devices.
6. Once the speaker is paired with the desired device, it will remember and pair it automatically.

## CHARGING THE SPEAKER

1. The speaker has a built-in rechargeable battery. Charge the battery fully with the supplied cable before using the speaker.
2. Connect the USB cable to a computer USB port and the Micro USB plug to the charging port of the speaker, a red LED light will illuminate while the speaker is charging.
3. Charging the battery takes around 4-5 hours. Once the device is fully charged, the LED light will switch off.
